It features several central nodes and many peripheral ones, all interconnected by lines. Key nodes include 'NHS Digital' at the top right, 'Users' in a pink circle on the right, and 'Architecture & Core Services' on the left. Numerous individual names are written in boxes or circles, representing specific stakeholders. The map is color-coded with yellow, pink, and blue highlights, and includes various handwritten notes and arrows indicating relationships and flows between different groups and individuals.</p> </div>	<p>Approved by Marta Raper 6/6/18</p>
